CURRENT

FINANCIAL SUPPORT TO EMPLOYERS FOR SALARY PAYMENT FOR THE MONTHS FEBRUARY AND MARCH 2021

Due to damage prevention caused by the Coronavirus, the Government of RN Macedonia has adopted a set of measures enclosed by range of regulations with law enforcement that during their adoption and application had several amendments. However, unfortunately the crisis is ongoing and the Government was obliged to adopt fifth and sixth package of economic measures for stable and developing economy and for improving the economy's liquidity3

ACCOUNTING

DIVIDEND AND OTHER PROFIT ALLOCATION FOR 2020

A small number of Companies will probably adopt a decision for dividend payment from the profit after the annual account for 2020 that not only have reached good financial results for 2020 but have also continued with their successful operation in this state of emergency.....14

TAXES

BUSINESS LAW

BOOK OF DECISIONS AT LIMITED LIABILITY COMPANIES

There are no special conditions that are prescribed for the Shareholders' assembly in the shareholders' companies in order for the Shareholders' assembly to reach a decision for the limited liability companies. Considering that the Shareholders' assembly reaches decisions with no presence of Notary public, the Law on Trade Companies prescribes this issue with the institute called "Book of decisions".....40
